

Safety Recommendation Number:	IRLD2014013
AAIU Event Reference:	IRL00913037
AAIU Report Number:	2014-005
Date of Publication of Safety Recommendation:	10/06/2014
Safety Recommendation Status:	Implemented, closed

Safety Recommendation:

The Licensee of Ireland West Airport at Knock review procedures relating to calibration flights, in particular with regard to planning, scheduling, calibration documentation and the requirement for face to face briefings.

Response:

January 2017 -

On 23 January 2017 Ireland West Airport responded to the AAIU and confirmed that their Manual of Air Traffic Services (MATS) on Flight Inspection of navigation Aids at EIKN has been amended, and that the Air Traffic Monitor is now in place and in use.

AAIU Comment:

The AAIU considers this safety recommendation to be "Implemented,Closed"
